## ANNUAL DUES

2018 Tall Timbers Association dues are due May 1. The assessment notice is included in this mailing. Dues will remain at \$100.00. We spent \$88.15 per homeowner in 2017. The additional funds if not used this year can go into savings for future unexpected expenses.

Just a reminder that dues are not optional.

The Tall Timbers Association is responsible for maintaining 30 acres of trees, grass cutting, common and natural areas as well as medians and ditches. The ditch at the entrance of the

- The neighborhood's new lawn service is Green Dreams. It's owned by Trevor Danneman who lives in Tall Oaks.
- It is not illegal to have a dog poo in your yard. Is biodegradable. However, if someone bags it and then throws it in the sewer, it's littering. If you have a repeat offender, a polite discussion with the person may help.
- Several drainage issues were discussed. Matthew Franklin, along with several neighbors, will be looking into the issues.

## FUTURE ASSOCIATION COMMUNICATIONS

Except for this one annual mailing, communications will take place in one of two ways. The first method is the Tall Timbers Neighbors Facebook page. This is a private page that is only accessible by members. All neighbors are approved to join after requesting access. If you would like to get up to date information about events, communicate with other neighbors, and generally be kept up to date, this is the place to go. This is a monitored page and the Board members and/or the site administrator reserve the right to delete any inappropriate postings.

The other method of communication will be email. We really need an email address for each residence. We are missing about 50. Outgoing emails are sent as all **blind copies** so your email address is not exposed to anyone and privacy is maintained. Please update or provide your email address when paying the annual Association dues. If you need to update your email address at any other time, send the update to [talltimbersboard@yahoo.com](mailto:talltimbersboard@yahoo.com).
